Vol.51, Special Issue on WCARP-V The Journal of the Adhesion Society of Japan

Journal of the Adhesion Society of Japan publishes original research on all aspects of the science and technology of adhesion monthly. It was established in 1964, the oldest scientific journal in the field of adhesion. On this occasion of the 5th world congress on adhesion and related phenomena (WCARP-V), the Adhesion Society of Japan decided to publish the special English issue on WCARP-V.
